PIANO ACCESSORIES

WITTNER METRONOMES

Made by German Craftsmen, the Wittner Metronome is an outstanding product in quality and appearance.

- Latch on cover
- Adjustable weight on pendulum
- Square base 4 $\frac{1}{8}$ " x 8 $\frac{1}{2}$ " high

No. 1120 – Mahogany

No. 1121 – Ebony

No. 1122 – Walnut

WITTNER TAKTELL PICCOLO

Key wound pendulum type metronome is extremely accurate and comes complete with a dust cover that protects instrument when not in use. Standard, multi-colored plastic metronome that measures 6" high x 2 $\frac{3}{4}$ " wide x 1 $\frac{3}{4}$ " deep.

No. 1125 – Mahogany

No. 1126 – Beige

No. 1128 – Black

WITTNER SUPER-MINI TAKTELL

This metronome is the smallest and most accurate in the world. Measuring 4" high x 1 $\frac{7}{8}$ " wide x $\frac{1}{2}$ " deep. It runs as long and conveys the beat just as reliably as other larger Wittner models. Plastic case comes in a ruby red color.

No. 1123

CORY CARE PRODUCTS

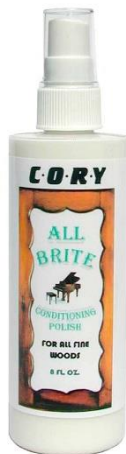

Super High Gloss Polish

Specially formulated to clean and protect high gloss polyester, polyurethane and lacquer finishes in one easy step. Use Super High Gloss Polish as often as desired to eliminate fingerprints, smudging and static that attracts dust. **Available in 2, 4, or 8 oz bottle.**

All-Brite

Is a non-greasy treatment designed to polish and preserve all fine lacquered instrument surfaces. It protects against drying and cracking and is perfect for lacquered wood finishes. Use on pianos, organs, benches, and band instruments. **Available in 8 oz bottle.**

Keyboard Detailer

A unique one-step cleaner/conditioner/polish designed for use on all plastic, metal, Formica, wood, leather and similar synthetic surfaces. Great for synthesizers, digital pianos and digital keyboards. **Available in 4 oz bottle.**

Key-Brite

Cleans, brightens and preserves all plastic, ivory and wood keyboards ... even electric. Spray directly on keys and gently wipe them clean. Completely safe on all surfaces and dissolves wax build-up. Excellent for computers too. **Available in 4 oz bottle.**

Satin Sheen

Satin Sheen's remarkable cleaning and conditioning properties make maintaining any satin finish easy. Use satin sheen to remove fingerprints smudges or grime. **Available in 2, 4, or 8 oz bottle.**

Buff-Brite

Is a high-tech, water-base buffing compound that gently removes fine scratches from all high-performance finishes, including brass, silver, and nickel. Excellent for shining piano pedals too. **Available in 4 oz bottle.**

Scratch-Brite

Colors and repairs surface scratches on all walnut, mahogany, maple and pine instruments and furniture. Scratch-Brite leaves surfaces polished to a smooth, high long-lasting beautiful luster. **Available in 4 oz bottle.**

Ultimate Care Kit

This kit provides the complete care maintenance for any instrument. Each kit comes with a polisher and cleaner cloth, one 4 oz bottle of Key - Brite and your choice of one 4 oz Satin Sheen or one 4 oz Super High Gloss Polish. Options: **Hi-Polish or Satin Finish.**

CORY CARE PRODUCTS

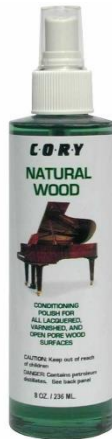

Honey Oak Conditioner

The finest oak moisturizing polish and wood conditioner available. Use regularly to moisturize and protect all fine oak surfaces. Color hues have been specially added to bring out the true luster in oak grain. Apply to fine furniture, paneling, and antiques and more. **Available in 4, or 8 oz bottle.**

Natural Wood

Our #1 wood tone polish for lacquered pianos. Use regularly to moisturize and protect all finishes and open pore wood surfaces. Apply to all fine furniture, paneling, antiques and more. Use regularly to keep wood finishes looking moisturized and protected. **Available in 8 oz bottle.**

Harmony Detailing Oil

The perfect blend of moisturizing oils for all wood and metal piano surfaces. Apply to case parts, soundboards, damper heads and plates. Hand buff to high luster. Use regularly to preserve moisture and shine. Not recommended for satin or high polish finishes or use on strings or tuning parts. **Available in 4 or 8 oz bottle.**

Grand Piano Detailing Kit

Complete 7 Piece Cleaning Kit containing: Piano Polish, Key Cleaner, Sound Board Cleaner, Pinblock Cleaning Brush, Polishing Cloth, Mega dusting Cloth, Cleaner Cloth.

Options: **Hi-Polish or Satin Finish.**

Pre-Polish Finish Cleaner

An outstanding cleaner, preparing a surface for any of the Cory polishes. Use Pre - Polish to remove grime, oil, smudges, fingerprints or contaminants. Pre - Polish is a safe, waterbased formulation that is safe for all finishes. **Available in 8 oz bottle.**

Coconut Cleaner

Naturally cleans all paint and wood surfaces. This cleaner is an amazing, all natural cleaner that deep cleans grime, wax and build-up from most household surfaces. Apply directly onto surface to be cleaned. Allow to soak into grime and stains before wiping. **Available in 4 oz or 8 oz bottle.**

PIANO ACCESSORIES

PIANO SOUNDBOARD CLEANER/DUSTER

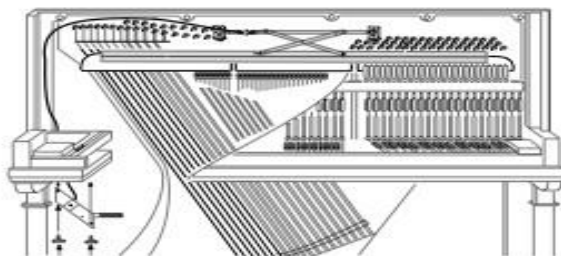

- Easily cleans between strings and soundboard
- 36" approximate overall length
- Replacement covers available

Piano Soundboard Cleaner / Duster is your answer to the age-old question, "How do I clean under the strings of my grand piano?"

Now it's simple. Just assemble duster and slip on the plush cover. You can even use the duster for other hard to reach places. When the cover gets dirty, wash it in your washing machine or simply replace it.

Manufactured by
Paul L. Jansen & Son®

Quiet Keys™ Vertical Piano Mute (curtain/muffler rail)

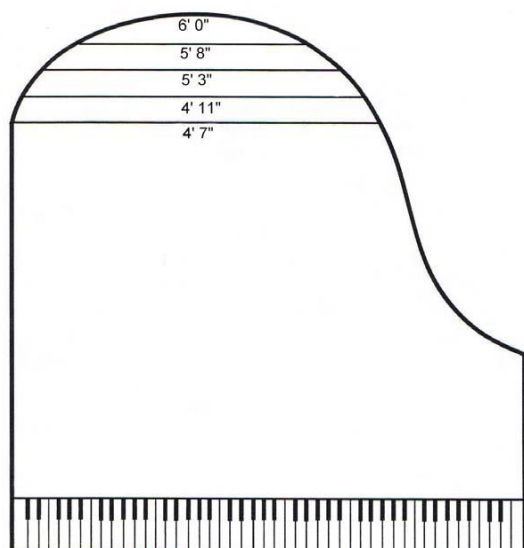

Easy Installation! A proven design that will compliment the very best pianos, Quiet Keys™ comes ready to install with all parts and on-off control included. When "on" acrylic felt drops between piano's hammers and strings reducing volume without affecting playability. When "off" piano functions normally.

PIANO VOLUME CONTROL!

Mounting to two tuning pins
Quiet Keys™ adjusts to fit any sized vertical piano.

- *Pitch is unaffected!
- *Instant removal for tuning!
- *Piano finish is untouched!

GRAND PIANO FLOOR TEMPLATE

Trying to determine the best size grand piano for your home? Use the all-in-one, **Grand Piano Floor Template**.

- Only 1 template needed for 5 different grand piano sizes from 4'7" - 6'0"
- Made of foldable, heavy-duty brown Kraft paper
- Affordable and re-useable
- Easy to use - fold at line for desired piano length
- **Minimum Order: 6**

PIANO COVERS - GRAND & DIGITAL

We use the highest quality materials and craftsmanship. These grand piano covers are custom manufactured to fit any make and model piano. Select brand of piano from choices listed in price pages. If you do not see your piano listed, please call and we will check our library for availability. We have a wide selection of materials for you to choose from, including: Mackintosh, Vinyl, Nylon Padded and Cotton Padded.

Manufactured by
Paul L. Jansen & Son®

GRAND PIANO COVERS

**Available in Mackintosh or Vinyl
Black or Dark Brown**

- All covers include slits
- See price pages for a selection of models and sizes
- Vast selection of patterns available
Too many to list

**Options Available at Additional Cost:
Locking Straps**

MACKINTOSH: Woven, non-cotton material bonded to a soft lining. Mackintosh is an attractive and popular fabric, which has a softer and warmer look than vinyl. Exceptionally tough and durable and well suited for use in schools, churches, theaters and studios. Mackintosh is thicker than vinyl and offers more protection from bumps and scratches.

VINYL: Heavy leatherette, bonded to a soft fleecy backing. We use a thick, furniture-grade quality vinyl, not a paper-thin vinyl that looks like plastic. Can be dusted easily, wiped with a damp cloth, or vacuumed.

DIGITAL PIANO COVERS

**Only available in Mackintosh or Vinyl
Black or Dark Brown**

- Short Drop (13")
- Full Drop (Provide measurement from top of piano to floor)
- Digital grand covers also available

G7PS 50	Grand 7-Part System with H-5 Humidistat, one 48", 50-watt primary dehumidifier, one 24", 25-watt secondary Dehumidifier, and two Universal Tank Humidifier with one Smart Bracket.

Dampp-Chaser® humidifier treatment was formulated to minimize bacterial and alga growth in the humidifier tank and watering tube, by adding ½ capful of humidifier treatment to each can of water. The piano owner can prolong humidifier pad life, ke the watering tube clear and reduce minera build-up on the pads and in the tank.

Available in 7.5 oz and 16 oz bottles.

UHP 4

The 4 pack comes with 1 black liner, 1 clear liner, and 4 clean sleeves.

UHP 48

The 48 pack is your best value. Comes with 12 clean sleeves.

Please check price sheet under Humidifier supplies for other supplies related to the humidifier. Watering cans and fill tubes can be purchased separately.

MOVING EQUIPMENT

DUAL TRUCKS

Deliveries using only one man!

Instantaneous control at your fingertips. Spring-loaded plunger allows swivel wheels to be locked for one-man operation or swivel in unlocked position for two-man operation.

WHEN ORDERING SPECIFY BASE SIZE:

23" x 5" Angle base (for pianos and organs)

28" x 4" Angle base for Hammond B3

Dual trucks with swivel caster locks and four 7'0" web straps included. Shipping weight 55 lbs.

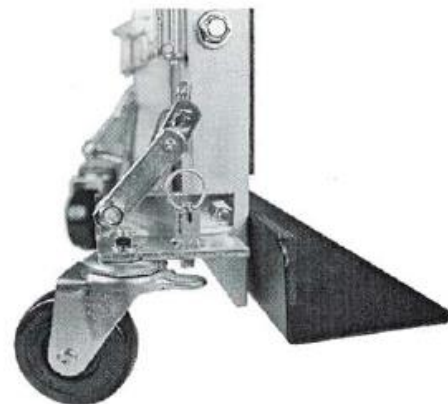

REPLACEMENT STRAPS AVAILABLE:

4 web straps 7'0"

4 web straps 8'0"

4 web straps 10'0"

Straps are
1 1/4" wide

No clumsy thumbscrews to lose, bent or damaged threads becoming inoperable.

Always working, easy to use, foolproof, fingertip operated spring-loaded swivel caster locking mechanism.

Casters "fully retract" off floor to allow piano or organ to rest on its own weight. Will not skid or roll while traveling.
